## EXPERIENCE

### Tekmetric

Web Developer Specialist

Full-Time  
Oct 2024–Present

- Built fully responsive client websites at a high-velocity rate of one site per day using Duda, WordPress, and Shopify.
- Leveraged CMS data connections and AI tools to convert client surveys into production-ready web drafts.
- Managed the client feedback pipeline, rapidly resolving revision tickets and handling domain DNS, hosting, and deployments.

### Simple Biz

Web Designer

Remote  
May 2024–Oct 2024

- Designed and built client websites on WordPress and Shopify, translating business requirements into clean, functional code.
- Conducted UX research and created clickable prototypes in Figma to test user flows before development handoff.
- Translated technical constraints and project timelines clearly for non-technical clients and cross-functional team members.
